

IPB 2022

**53rd
INTERNATIONAL
CONFERENCE ON**

**CONSTRUCTION
PROJECT
ENGINEERING**

Sept. 28-30, 2022 Kołobrzeg, Poland

WELCOME TO JOIN

CONFERENCE TRACS

Topics of interest include all aspects, but not limited to the following:

- construction engineering and management
- operational research
- decision making
- flexible management
- innovative solutions in construction management
- buildings life cycle
- sustainable development
- simulation in construction engineering
- real estate management
- project management
- quality management
- lean management
- construction materials and technology
- repairs and modernization
- cost estimation
- construction process in turbulent build environment
- risk management in construction
- BIM modeling

The conference will provide a dedicated platform for researchers, scientists and engineers, with the opportunity to exchange and share their experiences, new ideas, and results in the common research field of Construction Project Engineering and, moreover, to discuss practical issues and challenges that have been encountered as well as the adopted solutions.

**BRNO
UNIVERSITY
OF TECHNOLOGY**

POZNAN UNIVERSITY OF TECHNOLOGY

INVITATION

**53rd International
Conference on Construction
Project Engineering,
Kołobrzeg, Poland
September 28-30, 2022.**

POLITECHNIKA POZNAŃSKA

**Our distinguished
Keynote Speaker**

arch. Maria Antonietta Esposito

Full professor of Design and Technology of Architecture, in service as Associate Professor of Architectural Technology (ICAR/12) at the Department of Architecture of the Università degli Studi di Firenze (Florence, Italy),

**Keynote lecture:
Project Management using BIM.**

ACCOMMODATION

The conference will be held in the beautiful city of Kołobrzeg, at the beginning of autumn, the wonderful season, called in Poland the Golden Fall. Luxury Ikar-Plaza Hotel, placed at the Baltic seaside, provides great circumstances to combine spirited discussions and exchanging insightful thoughts on the broad field of Construction Management with leisure activities and sporting. We do wish all of you will have a memorable experience at the conference and seize this opportunity to promote new projects.

PAYMENT

The fees include conference sessions participation, full accommodation, gala dinner, conference proceedings. The approximate cost is 400 EUR. The organizers do not cover the costs of the delegation.

PUBLICATION

We anticipate the following publishing options for submitted articles:

- Archives of Civil Engineering
- Materiały Budowlane – wydanie specjalne
- Eksploatacja i Niezawodność

Publication involves an additional fee.

Extended papers will be published into Conference Proceedings.

IMPORTANT DATES

- 4.04.2022 application for participation and paper submission (title + abstract)
- 18.04.2022 notification of acceptance
- 16.05.2022 full paper submission with extended version
- 15.06.2022 fee payment deadline
- 1.09.2022 confirmation of participation and conference schedule

REGISTRATION ON-LINE MORE INFORMATION

<https://ipb2022.put.poznan.pl/>

70th Anniversary

1952 Department of Organization
and Mechanization of Construction

2022 Division of Construction
Engineering and Management

Time of Jubilees

Our conference also provides an opportunity to celebrate others jubilees:

20th anniversary of the Wielkopolska Regional Chamber of Civil Engineers

30th anniversary of BASF in Poland

50th anniversary of PEKABEX

CO-OPERATION

Brno University of Technology
Università Degli Studi Firenze

HONORARY PATRONAGE

Rector of the Poznań University of Technology
Section Of Construction Projects Engineering
by The Committee of Civil Engineering
of The Polish Academy of Sciences
